

Great Opportunities in the Northeast

Select Specialty Hospital

96 Parkway, Rochelle Park, NJ 07662

www.selectmedicalcorp.com

The Hospitalist Services

- Free-standing, 60 bed acute facility caring for the seriously ill or injured in a focused setting conducive to quick recovery
- Most patients having a length stay of 20 days or more
- Pulmonary care for patients with acute or chronic respiratory disorders who may have tracheotomies, ventilators or require extensive respiratory treatments
- Wound care designed for patients at high risk or with impaired tissue integrity
- Treating medically complex patients requiring more than routine care and extensive therapies
- 24-hour physician coverage
- Physicians responsible for emergency care (falls, code blues, etc)

The Hospital

- Part of a national network of acute care facilities within Select Medical Corporation
- Dedicated to providing quality care to appropriate patients who may need a longer acute stay for their recovery and well-being
- Around-the-clock physician coverage and respiratory therapy
- Provide telemetry, cardiac drip management, bedside hemodialysis, peritoneal dialysis, vent weaning, trach care, infectious disease management, wound care, physical, occupational and speech therapy

The Community

- Rochelle Park is only 10 miles from the George Washington Bridge and New York City
- Nearby attractions include The Meadowlands, Secaucus Shopping Outlets, NJ Performing Arts Center, Prudential Center Arena
- Outdoor activities include the Jersey shore, lakes, parks, hiking and recreation

Requirements

- BC/BP in Internal Medicine
- Current ACLS
